Subject: CSM approach
Date: 02/09/2011 07:32 AM

Chip:

As I mentioned yesterday the LWG Exec committee meeting starts today at 11:00am local time (New Orleans time). Please let me know if you hear from Kristine before 11:00 regarding the proposed approach for the RI CSM. If you're unable to connect with Kristine we will need an extension on the dispute deadline (e.g., two weeks). Thanks, Jim.
